BUILDING OUR FUTURE

Coffs Harbour bypass

Preferred concept design

Roads and Maritime Services | September 2018

The Australian and NSW governments are funding the Coffs Harbour bypass. The project includes a 12 kilometre bypass of Coffs Harbour from Englands Road in the south to Korora in the north, and a two kilometre upgrade of the existing highway between Korora and Sapphire.

The bypass seeks to improve connectivity, road transport efficiency and safety for local and interstate motorists.

Better and more
reliable trips
for people, business and freight

Save travel time

Improving safety

Up to
12 traffic lights
bypassed
