

Upgrading the Pacific Highway

**Failford Road to Tritton Road**

### **Concept design display**

The NSW Roads and Traffic Authority (RTA) is investigating an upgrade of the Pacific Highway between Failford Road and Tritton Road, Possum Brush.

More information is available in the February 2006 community update and the Failford Road to Tritton Road Concept Design Report.

Copies of the update and report are available by contacting the project information line or on the project website (details below).

The concept design is on public display until **Friday 17 March 2006**.
