Upgrading the Pacific Highway

## **Failford Road to Tritton Road**

### **Review of environmental factors (incorporating refinements to the concept design)**

The NSW Roads and Traffic Authority (RTA) is continuing with investigations to upgrade the Pacific Highway between Failford Road and Tritton Road, Possum Brush.

Following the display of the concept design in February 2006, the design has been refined, and a review of environmental factors has been prepared and is now on display.

Information is available in the May 2008 Failford Road to Tritton Road Review of Environmental Factors Report. The Concept Design Submissions Report is available as an appendix to the Review of Environmental Factors.

For more information or to obtain a copy of the reports, contact the project information line or visit the website (see details below).

The review of environmental factors is on display until **Friday 27 June 2008**.
