

## Upcoming work at Devils Pulpit for Woolgoolga to Ballina Pacific Highway upgrade

Roads and Maritime Services, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

The project team has completed early work in the Devils Pulpit area. The next phase of work is expected to start from Monday 15 October and will take about 14 months to complete, weather permitting. We have included a map to show the location of this work.

This work will involve:

- Installing environmental controls
- Building dedicated access and haul roads along the alignment for heavy machinery and vehicles
- Installing traffic control
- Carrying out earthwork including excavating to build the foundation for the new road
- Installing drainage and fencing
- Laying concrete and asphalt pavement
- Landscaping and finishing work.

### How we manage our work

The project team will use machinery that generates noise, light and vibration. To manage this work we will:

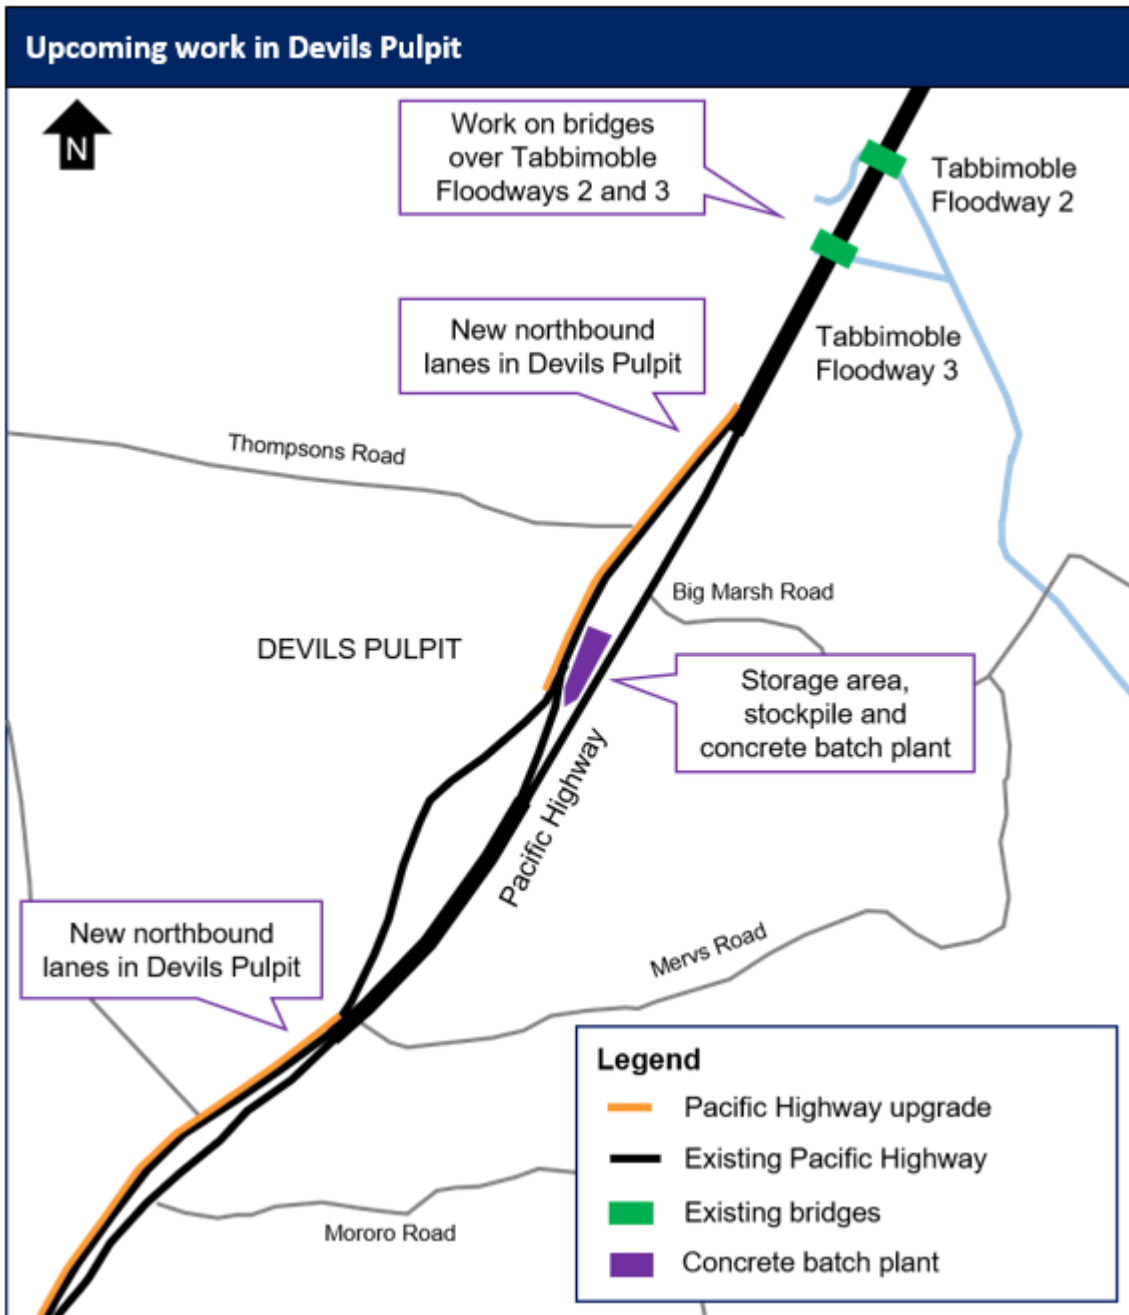

- Turn-off machinery when not in use
- Direct temporary lighting down and away from homes
- Avoid reversing of heavy machinery to reduce noise from reversing alarms
- Avoid loading and unloading near residents.

### Work hours

All work will be carried out in line with the project's Conditions of Approval and Construction Environmental Management Plan

Approved construction hours	
Monday to Friday 7am–6pm	
Saturday 8am–5pm	

In areas where residents live more than 200 metres from the work, extended approved work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried on Sunday or a public holiday.

### Traffic changes

There will be some temporary traffic changes and lane closures that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
