Christmas holiday traffic changes in Woodburn from Thursday 20 December

Roads and Maritime Services is making temporary traffic changes during the Christmas and New Year holidays to help reduce congestion and increase safety along the Pacific Highway at Woodburn.

Roads and Maritime thanks the Woodburn community for their patience during this time.
The temporary traffic changes will be:

- Implementing a no right turn from Court Street (Woodburn Bridge) onto the Pacific Highway 24 hours per day. Southbound vehicles will turn left and access the Pacific Highway by detouring via Alfred, Wagner, Woodburn and Whyratta streets.
- Restricting access to Woodburn Street from the Pacific Highway. Traffic will not be able to enter or exit Woodburn Street at the Pacific Highway intersection. Local detours will be in place.

These changes will be in place between 9am and 5pm (traffic conditions will be monitored and times will be adjusted as needed) on:

- Thursday 20 December
- Friday 21 December
- Saturday 22 December
- Sunday 23 December
- Thursday 27 December
- Friday 28 December
- Saturday 29 December
- Sunday 30 December
- Wednesday 2 January 2018
- Thursday 3 January 2018.

These traffic changes will not be in place on Monday 24, Tuesday 25 December (Christmas day), Monday 31 December and Tuesday 1 January (New Year’s Day) because reduced traffic volumes are expected on these days.

The time you travel, and how you travel can impact your journey. In peak time, delays are expected in various locations along the highway. For more information visit www.rms.nsw.gov.au/holiday-journeys.
