Traffic changes in Woodburn from Saturday 21 December

Transport for NSW is making temporary traffic changes during the Christmas and New Year holidays to help reduce congestion and increase safety along the Pacific Highway at Woodburn.
Traffic changes

- Implementing a no right turn from Court Street (Woodburn Bridge) onto the Pacific Highway. Southbound vehicles will turn left and access the Pacific Highway by detouring via Alfred, Wagner, Woodburn and Whyratta streets.

- Restricting access to Woodburn Street from the Pacific Highway. Traffic will not be able to enter or exit Woodburn Street at the Pacific Highway intersection. Local detours will be in place.

These changes will be in place between **9am** and **6pm** (traffic conditions will be monitored and times will be adjusted as needed) on:

- Saturday 21 December
- Sunday 22 December
- Monday 23 December
- Friday 27 December
- Saturday 28 December
- Sunday 29 December
- Monday 30 December
- Thursday 2 January
- Friday 3 January
- Saturday 4 January

These traffic changes will not be in place on Tuesday 24, Wednesday 25 December (Christmas day), Tuesday 31 December and Wednesday 1 January (New Year’s Day) as reduced traffic volumes are expected on these days.

The time you travel, and how you travel can impact your journey. In peak time, delays are expected in various locations along the highway. For more information visit [www.rms.nsw.gov.au/holiday-journeys](http://www.rms.nsw.gov.au/holiday-journeys)

We thank the Woodburn community for their patience during this time.
