Dear Peter

**Sapphire to Woolgoolga Annual Ecological Monitoring Report**

In accordance with Condition 3.1(f) of Sapphire to Woolgoolga MP 06\_0293, Roads and Maritime Services has prepared an annual Ecological Monitoring Report for the period from Year 3 of operation.

The attached report details all the ecological monitoring results obtained during this period and includes the following:

- Fauna Underpass monitoring
- Giant Barred Frog monitoring
- Threatened Flora monitoring.

Please do not hesitate to contact Sean Hardiman on 0417 652 929 should you require additional information or require clarification on any of the above.

Yours sincerely
