Temporary traffic change on McAndrews Lane, Pimlico

Roads and Maritime Services, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

As part of building the upgrade, traffic will be temporarily moved onto a new road within the project compound at Pilimco from Friday 31 May, weather permitting. The diversion will be in place for about six weeks and will allow us to maintain capacity on the local road network while we safely carry out work on McAndrews Lane.

**Work hours**

Typically work will be carried out during the project’s approved construction hours, which are:

**Approved construction hours**

Monday to Friday 7am–6pm
Saturday 8am–5pm

pacifichighway.nsw.gov.au
In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried on Sunday or a public holiday.

How we manage our work
The project team will use machinery that generates noise, light and vibration. To manage this work we will:

- direct temporary lighting down and away from homes
- locate equipment such as generators as far as possible from residences
- turn off machinery when not in use
- plan activities to minimise noise from reversing vehicles
- monitor noise and implement further mitigation measures, if required.

All work will be carried out in line with the project’s Conditions of Approval and Construction Environmental Management Plan.

Traffic changes
To manage queuing and safety, there will be some temporary traffic changes that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
