## Permanent traffic change on Tuckombil Road, Woodburn

Roads and Maritime Services, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

The project team is continuing work on the highway upgrade at Woodburn. As part of this work, a 500-metre section of Tuckombil Road will be permanently moved up to 15 metres to the east on Thursday 24 and Friday 25 January, weather permitting. This will allow the highway upgrade to be widened at this point.

We have included a map to show the location of this traffic change.

### How we manage our work

The project team will use machinery that generates noise. To manage this work, we will:

- Turn off machinery when not in use
- Plan activities close to residents to coincide with normal construction hours, where possible
- Fit equipment with devices to minimise noise, particularly reversing squawkers

- Monitor noise so we can manage any potential impacts and adjust our work as required.

All work will be carried out in line with the project's Conditions of Approval and Construction Environmental Management Plan.

### Work hours

Typically work will be carried out during the project's approved construction hours, which are:

Approved construction hours	
Monday to Friday 7am–6pm	
Saturday 8am–5pm	

In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried on Sunday or a public holiday.

### Traffic changes

To manage queuing and safety, there will be some temporary traffic changes that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
