

March 2019

Temporary traffic change on Pacific Highway, Woodburn

Roads and Maritime Services, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

As part of building the upgrade, Pacific Highway traffic will be temporarily moved about nine metres west from Monday 1 April 2019, weather permitting.

This new traffic arrangement will be in place for about three months and will allow us to maintain capacity on the road network while we install drainage under the existing highway. To complete this work, the project team will need to work outside of approved construction hours.

How we manage our work

The project team will use machinery that generates noise, light and vibration. To manage these, we will:

- turn-off machinery when not in use
- direct temporary lighting down and away from homes
- plan activities close to residents to coincide with normal working hours, where possible
- fit equipment with devices to minimise noise, particularly reversing squawkers
- monitor noise so we can manage any potential impacts and adjust the work activity as required.

All work will be carried out in line with the project's Conditions of Approval and Construction Environmental Management Plan.

Work hours

Typically work will be carried out during the project's approved construction hours, which are:

Approved construction hours	
Monday to Friday 7am–6pm	
Saturday 8am–5pm	

In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried on Sunday or a public holiday.

Work outside of approved construction hours

To complete the temporary traffic change and install drainage, work is required outside approved construction hours for technical reasons. This work is planned between 6pm and 7am from Thursday 28 March and Thursday 4 April 2019, weather permitting.

There are technical reasons why this work is required outside approved construction hours, including:

- **Safety** – making it safer for motorists and workers when we are building over and next to roads by reducing interactions between these two groups.
- **Traffic** – building next to, over and on existing roads, means traffic may be stopped or reduced to one lane while work is carried out.

Work we will do

Location	Activity	Occurrence	Hours	Impact	Why
Pacific Highway, southern end of Trustums Hill Road, Woodburn	Barrier removal	28 March	6pm to 7am	Noise (medium) Light	Safety Traffic
	Asphalting	29 March	6pm to 7am	Noise (medium) Light	Safety Traffic
	Line marking and barrier installation	1 April	6pm to 7am	Noise (medium) Light	Safety Traffic
	Barrier removal and installation and drainage	3 and 4 April	6pm to 7am	Noise (medium) Light	Safety Traffic

Traffic changes

To manage queuing and safety, there will be some temporary traffic changes. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
