Making a Submission Online

- 1. Sign-in to your account on the Major Projects website by clicking “**Sign**” in the top right-hand corner of the page
- 2. Once logged in, click on the “**Make a Submission**” button on your dashboard

The screenshot shows the user interface of the Major Projects website. At the top, there is a navigation bar with the NSW Government logo, the text 'Major Projects', a help icon, and a user profile for 'John Citizen'. Below this is a blue 'Dashboard' header. The main content area features three large buttons: 'Make a Submission' (with a document icon), 'Manage Subscriptions' (with a folder icon), and 'Manage Profile' (with a person icon). Below these buttons are three tabs: 'My Submissions' (selected), 'My Subscriptions', and 'Draft Submissions'. A message states 'Below is a list of Submissions.' followed by a table with columns for Project Name, ID, Submission Date, Political Donations, and Classification. The table currently shows 'No items'.

Project Name	ID	Submission Date	Political Donations	Classification

Political Donations Actions

Have you made a reportable political donation? *

Yes No

i The requirement to disclose depends on:

- whether your submission is about a relevant planning application, and
- the value and timing of any political donation/s you or your associate have made.

To determine whether the reporting requirements apply to you, read Parts 3 and 4 of [Disclosure of Donations and Gifts](#)

If you disclose a political donation you will not be able to request confidentiality as we must publish the political donations disclosure statement, which includes your name and address.

Response to Submissions

- After exhibition the Department will publish all the submissions and ask the proponent to respond to the issues raised in the submissions
- The proponent will document this response in a **Submissions Report**
- In preparing the Submissions Report the proponent may:
 - Undertake further community engagement
 - Carry out further assessment of the impacts of the project
 - Update the evaluation of the merits of the project
- The Department will publish the Submissions Report on the major projects website
- If the proponent amends the design of the project, a **Preferred Infrastructure Report (PIR)** must be prepared

Assessment of the SSI

- After publishing the Submissions Report the Department will complete its assessment of the merits of the project, in accordance with Government legislation, policies and guidelines, and prepare an assessment report. This typically involves:
 - Reviewing the design of the project
 - Considering the strategic context
 - Seeking advice from government agencies and independent experts
 - Requesting additional information from the proponent
 - Assessing the economic, environmental and social impacts of the project against relevant standards and criteria
 - Evaluating the merits of the project as a whole
 - Preparing recommended conditions of approval (if warranted)
- Once complete the Department will give the Minister for Planning and Public Spaces a copy of the Assessment Report
