

Temporary traffic changes on the Glenugie north interchange and Eight Mile Lane, Glenugie

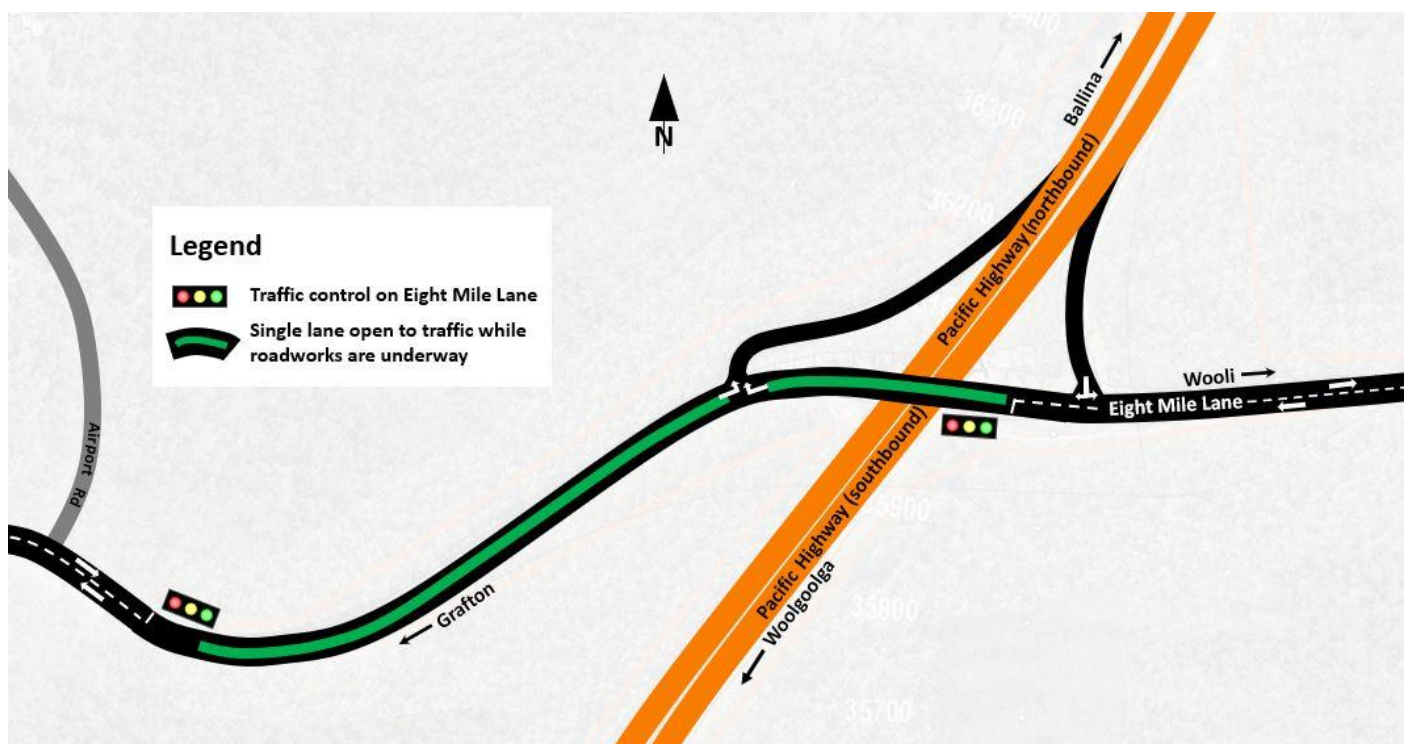

Transport for NSW, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

As part of building the upgrade, there will be temporary traffic changes on the Glenugie north interchange ramps and Eight Mile Lane, Glenugie, from 27 July, weather permitting. This work is expected to take about four weeks to complete.

At this time, traffic will be reduced to a one lane alternate flow while work is carried out on the shoulders of the Glenugie north interchange on and off ramps and along Eight Mile Lane. This will require lane closures and short delays that may affect travel times. Temporary traffic lights will be in place during this work.

Motorists will be kept informed about dates for these traffic changes through electronic message signs and on livetraffic.com.au.

Location of work Eight Mile Lane, Glenugie

How we manage our work

The project team will use machinery that generates noise, light and vibration. To manage this work we will:

- direct temporary lighting down and away from homes
- locate equipment such as generators as far as possible from residences
- turn-off machinery when not in use
- plan activities to minimise noise from reversing vehicles
- monitor noise and implement further mitigation measures, if required

All work will be carried out in line with the project's Conditions of Approval and Construction Environmental Management Plan.

Work hours

Construction hours extended during Coronavirus outbreak

Monday to Sunday between 7am and 6pm

Public holidays between 7am and 6pm

*Additional out of hours work will continue to follow the existing approval and community notification process.

In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday.

Traffic changes

To manage queuing and safety, there will be some temporary traffic changes and lane closures that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
