Temporary traffic changes on the Pacific Highway and Egret Lane, Pimlico

Transport for NSW, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

As part of building the upgrade, temporary traffic changes will be carried out at Pimlico from mid-February for about three weeks, weather permitting. Southbound traffic on the Pacific Highway will be moved onto the northbound carriageway, one lane in each direction, while asphalting and line marking is carried out. Traffic control and reduced speed limits will be in place during this work.

Legend
- Pacific Highway
- Work area
- Local roads
- Overpass bridge
- Detour

Indicative only – map not to scale

All traffic on the Pacific Highway will move onto the northbound carriageway

Southbound access to Egret Lane from the Pacific Highway will be maintained via Whytes Lane West and the McAndrews Lane overpass
Temporary changes to local access for southbound traffic
A temporary detour will be in place for motorists travelling south on the Pacific Highway to Egret Lane. Access to Egret Lane for southbound traffic will be maintained via Whytes Lane West and the McAndrews Lane overpass. There will be no changes for motorists travelling north to or from Egret Lane.

Access to Pimlico Road will be maintained under traffic control during this work.
Alternative access to Egret Lane for southbound motorists will be available via Pimlico Road.
Motorists will be kept informed about dates for the changes through electronic message signs and livetraffic.com.au.

How we manage our work
The project team will use machinery that generates noise and vibration. To manage this work, we will:

- turn off machinery when not in use
- plan activities to minimise noise from reversing vehicles
- monitor noise and implement further mitigation measures, if required

All work will be carried out in line with the project’s Conditions of Approval and Construction Environmental Management Plan.

Work hours
Typically work will be carried out during the project’s approved construction hours, which are:

<table>
<thead>
<tr>
<th>Approved construction hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday to Friday 7am–6pm</td>
</tr>
<tr>
<td>Saturday 8am–5pm</td>
</tr>
</tbody>
</table>

In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried out on Sunday or a public holiday.

Traffic changes
To manage queuing and safety, there will be some temporary traffic changes and lane closures that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
